Application for the NSF AGEP Summer Research Award

- Awards are designed to support academic work leading to the degree and are contingent on the availability of funding. Selection of awardees will be made in consultation with the doctoral department of the applicant. Awardees may not undertake any teaching assignment during the period of the award.
- The amount of the award is \$4,000.
- The application deadline is February 1.
Send this application form, your summer academic plan, and 1 letter of recommendation to the above address.

Your summer academic plan should describe in detail the research or other academic activity you will conduct during the summer. Recipients of the award are expected to present the results of their research at an AGEP colloquium or conference during the academic year.

Under no circumstances are recipients of the award to work in a capacity other than that described in the summer academic plan.

Checklist: To apply for an NSF AGEP Summer Research Award, I have enclosed:

- Signed applicant information form printed or typed
- Summer academic plan typewritten and double-spaced -300-500 words
- Letter of recommendation
